Why a Social Report?

How can we make the value of a European Joint Action visible?

- What do we do?
- What results do we achieve?
- What value do we create for society?

Beyond activities and deliverables

Building on the Italian experience

2020–2022 | Pilot in three settings:

- ISPRO
- ATS Val Padana
- AUSL–IRCCS Reggio Emilia

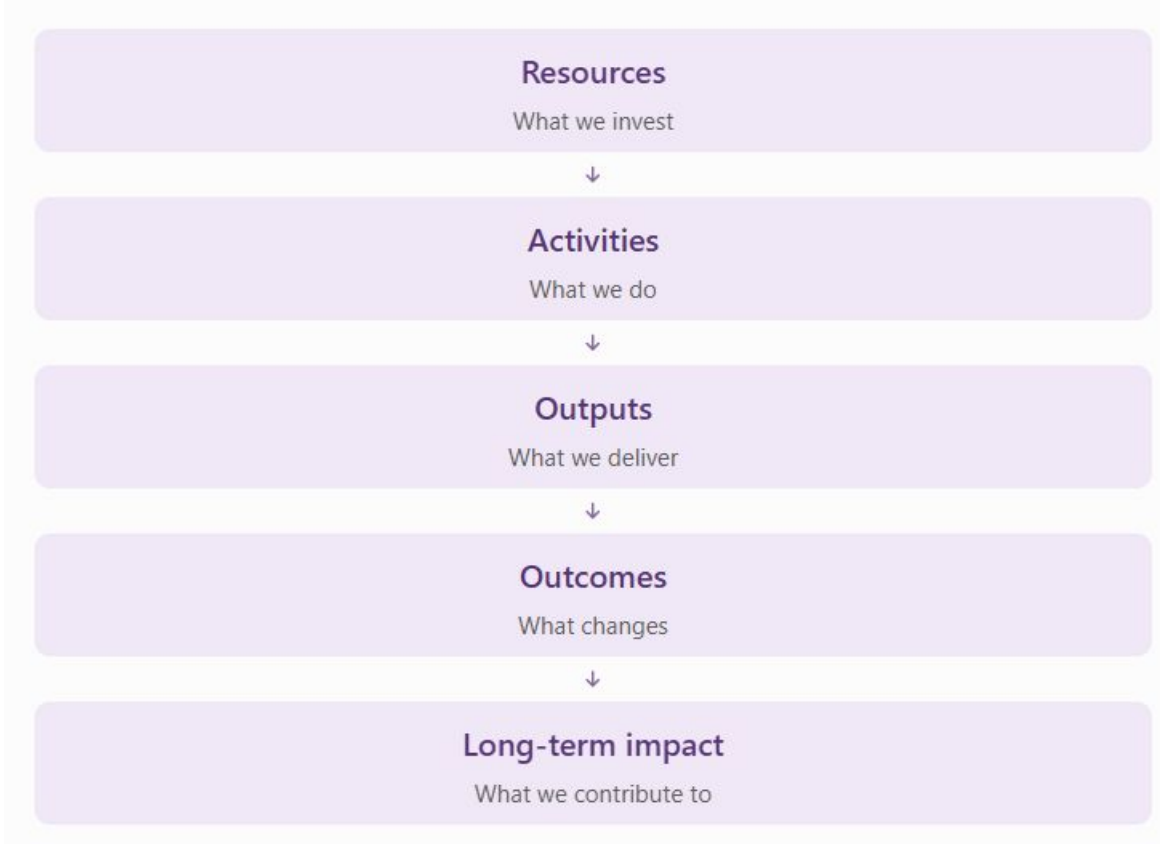

2022 | National Guidelines

- A shared framework for social reporting in organised cancer screening programmes.

2026 EUCanScreen | The Italian pilot

- Adapting the experience to a European Joint Action.

What is a social report?

Accountability · Transparency · Learning · Stakeholder engagement

A participatory process

STEP 1 – REPORT STRUCTURE

Draft Index

Expert board review

Revised Index

STEP 2 – FIRST CHAPTER

Chapter Drafted

Expert board review

Revisions incorporated

The structure of the Social Report

01 Understanding the context

Cancer screening in Europe and Italy; EUCanScreen objectives, governance and stakeholders.

02 Activities and resources

Work Packages, responsibilities, activities and financial resources.

03 Results and outcomes

Progress, indicators and results in relation to project objectives.

04 Sustainability and future perspectives

Challenges, lessons learned, continuity and recommendations.

Current status: index and first chapter drafted; further sections under development.
